

# Kayla Robertson

Frontend Developer | Accessibility | Dataviz

## Experience

**Sapera** — Berlin, Germany

**Frontend Developer** — Jan. 2021 – Oct. 2021

Frontend development for external client websites and internal products. Used React, JavaScript/TypeScript, HTML and CSS, focusing on accessibility, reusability, and dataviz on agile teams.

**Junior Frontend Developer** — Oct. 2019 – Dec. 2020

**Infographics, Development Trainee** — Oct. 2018 – Sept. 2019

Trained and worked in web development and data visualization, using HTML, CSS, JavaScript, D3, GIS, design, animation and storytelling. Worked on the frontend development team on client and internal web projects.

**Buying Show** — Berlin, Germany

**Junior Frontend Developer** — March 2018 – Sept. 2018

Frontend development for a B2B fashion web application. Worked on an agile team using React, JavaScript, HTML, CSS, WordPress, Adobe CC and Sketch.

**The Denver Post** — Denver, USA

**Graphics, Design Intern** — June 2017 – Aug. 2017

Created graphics and maps for print and web editions of the Denver Post newspaper alongside reporters, copy editors and designers. Used HTML, CSS, JavaScript and Adobe CC.

**The University of Montana** — Missoula, USA

**Accessibility Designer, Developer** — May 2015 – May 2017

Developed accessible online courses for an on-campus design studio. Assisted educators with design, HTML, CSS, and the university's CMS, finding solutions for accessible online learning.
