

Kayla Robertson

Frontend Developer | Dataviz | Accessibility

Experience

Sapera — Berlin, Germany

Frontend Developer — Jan. 2021 – Present

Junior Frontend Developer — Oct. 2020 – Dec. 2020

Build websites and data visualizations for clients and internal products. Use React, JavaScript, HTML, CSS and D3.js, focusing on accessibility and design on cross-functional agile teams.

Infographics Trainee — Oct. 2018 – Sept. 2019

Trained and worked in data visualization and web development, using HTML, CSS, JavaScript, D3.js, GIS, animation, illustration, research and storytelling. Worked on the development team on client and internal projects.

Buying Show — Berlin, Germany

Junior Frontend Developer — March 2018 – Sept. 2018

Frontend development and UI design for a B2B fashion web application. Worked on an agile team using React, JavaScript, HTML, CSS, Adobe CC, Sketch and WordPress.

The Denver Post — Denver, USA

Graphics, Design Intern — June 2017 – Aug. 2017

Designed and developed graphics and maps for the print and web editions of the Denver Post newspaper alongside reporters, copy editors and designers.

The University of Montana — Missoula, USA

Accessibility Designer, Developer — May 2015 – May 2017

Developed accessible online courses for an on-campus design studio. Assisted educators with design, HTML, CSS, and the school's CMS, finding solutions for accessible online learning.
